04 What we commit to

- We will arrange visits with you, stay out of any area you ask us to avoid, and leave gates and property as we found them.
- We document land, exteriors, and site conditions. We will not enter a building unless you invite us, and we do not set out to photograph people.
- Drone flights are made by an FAA Part 107-certificated remote pilot, following FAA rules (14 CFR Part 107) and Michigan's Unmanned Aircraft Systems Act (MCL 259.301 et seq.).
- We will share copies of what we capture on your property if you ask.
- This permission is voluntary. You may narrow or end it at any time by telling us in person, by phone, or by email. Without an end date above, it lasts 12 months.

05 Agreement

By typing my name below, I give the permission checked above and agree to sign electronically. Under Michigan's Uniform Electronic Transactions Act (MCL 450.837), an electronic signature has the same effect as a handwritten one.
